### OPTIONAL LOSS AND DAMAGE PLAN:

As a means of helping our customers with Loss or Damage claims with their own insurance companies, Motter's Music will offer a Deductible Buyback Option. If a claim is made with an insurance company for the Loss or Damage of an instrument, Motter's Music will pay the insurance company's deductible toward the balance of the lessee contract and replace the instrument with one of equal quality or make any repairs that would be needed. Loss and Damage fees do not apply toward purchase of leased instrument.

#### Optional Loss and Damage Fees:

**Group 1 & 2** - \$4.00 payable in one month increments.

**Group 3, 4 & 5** - \$6.00 payable in one month increments.

**Group 3, 4 & 5** - \$18.00 payable in three month increments.

#### Loss and Damage Coverage Terms:

The loss and damage plan is optional. The lessee may at any time cancel the plan. Loss and Damage fees do not apply toward the purchase of the instrument.

- 1) The deterioration of appearance (scratches, minor dents, finish) is not covered insofar as it does not affect the playing of the instrument.
- 2) Accessories (reeds, straps, sticks, strings, etc.) are not covered.
- 3) An instrument totally destroyed by fire or accidental damage, or lost by theft will be replaced with an instrument of equal value (as of the time of loss) provided reasonable proof of such loss is presented and the theft is reported to the local police within 24 hours of discovery of the theft.
- 4) All adjustments and repairs must be made by Motter's Music House, Inc. Do not attempt any repairs on your own or take the instrument to an outside source for repair as it will void the coverage.
- 5) A claim for repair or replacement does not alter the Lease/Purchase agreement.
- 6) The instrument is only protected when all fees are paid to date.

**I understand and agree to the terms of the Loss and Damage Plan. Initial here. X \_\_\_\_\_**

Where less than full size (4/4) stringed instruments are leased, we will at any time, during the lease only, allow exchange to a different size of comparable make, quality and kind. When lease payments are completed, and instrument is owned, Motter's Music House will allow 50% trade-in toward the purchase of a new instrument of the same kind (at current manufacturer's suggested list price) at any time in the future.

Title to the instrument shall remain with Motter's Music House, Inc. until the purchase is made by the lessee. If lease payment is not received within 14 days from the due date, all previous lease payments will not be allowed toward the purchase price. Positively no refunds on any lease fees paid. If the lessee is more than 15 days late in the payment of the lease, Motter's Music House, Inc. may at its option terminate this agreement, repossess the instrument and collect the late fees that are due, and hold the lessee liable for any costs incurred in the collection of fees, including attorney's fees. We reserve the right to repossess the instrument leased if payment is not on time.

I HAVE READ AND UNDERSTAND ALL THE ABOVE TERMS AND CONDITIONS AND HEREBY AGREE TO THOSE TERMS.
